- St 265, Teuk L'ak 3, Tuol Kouk,
Phnom Penh, Cambodia

PERSONAL PROFICIENCIES

- Communication
- Teamwork
- Problems-solving
- Time Management

SKILL TECHNOLOGIES

- Language: HTML, CSS, PHP, JAVASCRIPT
- Framework & libraries: Laravel, Tailwind CSS, Vue Js, Nuxt Js, Typescript, Bootstrap
- Database Management: MYSQL, MongoDB
- Version Control: Git, Git Lab, GitHub
- Server Environment: Docker

LANGUAGES

- KHMER: Native
- ENGLISH: Intermediate

HOBBITS and INTEREST

- Reading and learning coding tutorials in my free time
- Watching coding-related videos to enhance skills
- Relaxing through music, anime, and other activities

ABOUT ME

I am a software engineering graduate from the Institute of Technology of Cambodia (ITC). I always want to learn and improve my skills through new experiences and teamwork. I enjoy solving problems, sharing ideas, and working with others to create practical and effective solutions. I am committed to delivering quality work and continuously growing personally and professionally.

EDUCATIONAL BACKGROUND

2019–2024: Bachelor of Software Engineering, Institute of Technology of Cambodia (ITC)

2007–2019: Hansen Thnout Choum High School

2007–2012: Trang Pang Anderk Primary School

PROFESSIONAL EXPERIENCE

Front-End Developer Internship – FinTech (2023)

- Designed and developed a responsive website using Nuxt.js and JavaScript.
- Integrated APIs to dynamically display news, events, and lows.
- Collaborated closely with the team to deliver a user-friendly interface.
- Improved front-end development, API integration, and web design skills.

E-Commerce Project Internship for Thesis – ITC (2024)

- Independently developed an e-commerce website using Laravel for the back end, HTML, Tailwind CSS, and Ajax for the front end.
- Utilized MySQL for database management and integrated Docker for containerization.
- Managed the entire project lifecycle, from design to deployment.
- Gained experience in version control using GitLab and implementing CI/CD pipelines.
- Delivered a functional and responsive e-commerce platform, proving strong problem-solving and project management skills.

13th January 2025

Dear Sir/ Madam,

I am excited to apply for the Software Developer Internship position. As a recent Software Engineering graduate from the Institute of Technology of Cambodia (ITC), I have gained hands-on experience in both front-end and back-end development through my studies and internships. I am eager to contribute to your team.

During my internship at FinTech, I designed and developed a responsive website using Nuxt.js and JavaScript, integrating APIs to dynamically display content such as news, events, and laws. I collaborated closely with my team to deliver a user-friendly interface, enhancing my skills in API integration, problem-solving, and teamwork.

Additionally, my thesis project involved independently developing a full-featured e-commerce platform using Laravel, Tailwind CSS, and MySQL. I managed the project lifecycle from design to deployment, gaining practical experience in Docker for containerization and GitLab for version control and CI/CD pipelines. This project solidified my technical expertise and ability to manage complex development tasks effectively.

I am skilled in web development technologies like Vue.js, Nuxt.js, Laravel, Tailwind CSS, and Docker. I'm also a quick learner when it comes to new technologies, programming languages, and development skills. I'm committed to improving and always eager to learn. I'm passionate about creating solutions that bring real user value and I believe my skills and dedication will make me a great addition to your team.

Thank you for taking the time to review my application. I have attached my resume (CV) for your consideration and would happily provide further details. Please get in touch with me at +855 964 674 365 or via email at khunkimhong039@gmail.com.

I look forward to discussing how I can contribute to your company.

Sincerely,

KHUN Kimhong

CERTIFICATE OF ENGINEER'S DEGREE

The Director of the Institute of Technology
of Cambodia certifies that:

Mr. **KHUN KIMHONG**

Date of Birth: 14 April 2001

Place of Birth: Takeo

has attained the award of

Engineer's Degree

Specialty: **Computer Science**

Exam session: 08 July 2024

This certificate is presented to the bearer with
all rights and privileges thereto pertaining.

នាយកវិទ្យាស្ថានបច្ចេកវិទ្យាកម្ពុជា

សូមបញ្ជាក់ថា :

លោក **យុទ គឹមហុង**

ថ្ងៃខែឆ្នាំកំណើត : ១៤ មេសា ២០០១

ទីកន្លែងកំណើត : តាកែវ

មានសមត្ថភាពទទួលសញ្ញាបត្រ

កម្រិត : **វិស្វករ**

ឯកទេស : **ព័ត៌មានវិទ្យា**

សម័យប្រឡង : ០៨ កក្កដា ២០២៤

វិញ្ញាបនបត្រនេះចេញឱ្យសាមីជនប្រើប្រាស់
តាមការដែលអាចប្រើបាន ។

លេខ / N°: 10392
